All-

BLM-Utah is proactively developing key messages in advance of anticipated Presidential action on the monument review. While we do not necessarily know the specifics about changes that may be coming, we can begin preparing for expected interest from the media.

Please respond with a tracked changes version of necessary edits for your unit. If you are able to prepare initial thoughts by COB on Monday (11/13), we would appreciate it. We understand that you may want additional time to fine tune your edits, but would like to know about major issues ASAP.

These documents are all close hold- please share only on a need-to-know basis.
